1. The reply filed on 4/9/03 in Paper No. 9 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

In the restriction of Paper No. 8, 3/10/03, Group 1, drawn to claims 1-10 is drawn to a polypeptide of SEQ ID NO:3. Applicants have elected Group I but have stated that the protein species of SEQ ID NO:4 is elected and have indicated that the elected claims are 1-8, 10-14. Applicants have completely misconstrued the restriction requirement. Group I is drawn to a polypeptide of SEQ ID NO:3, Group II is drawn to a polypeptide of SEQ ID NO:4, Group III is drawn to a polypeptide of SEQ ID NO:5, Group IV is drawn to a polypeptide of SEQ ID NO:6, Group V is drawn to a polypeptide of SEQ ID NO:7 and Group VI is drawn to a polypeptide of SEQ ID NO:8. Similarly each of the other Groups are drawn to an agonist each of these proteins, an antagonist to each of these proteins, a DNA encoding each of these proteins and a method of determining whether a test substance is an agonist or an antagonist of each of these proteins. If Applicants intend to elected the polypeptide of SEQ ID NO:4, then the Group that must be elected is Group II.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
